SUBJECT : SAC Defense Subcommittee Staffer Swoboda's
 Briefing Requests

1. Senate Appropriations Committee Defense Subcommittee staffer Ed Swoboda today requested briefings on Afghanistan and Central America in early January 1985.

2. Regarding Afghanistan, Swoboda wants a [REDACTED] briefing on [REDACTED] I suggest we bring Swoboda to Headquarters for this briefing. It could be accomplished by an NE body at the level of C/NE [REDACTED] if satisfactory to C/NE [REDACTED] Swoboda's superior, minority staff director Frank Sullivan, recently returned from India and Pakistan having been part of the Nunn CODEL so it is not likely that Sullivan will ask to be included in this briefing.

updates from the biweekly [REDACTED] sent to SAC. Swoboda is willing to settle, instead, for a general update briefing on Central America by the DDI. OLL/LD/SL will arrange time and place. Coordination with DDO/EPS should be effected to attempt to schedule Afghanistan and Central America briefings the same day.

4. Swoboda's majority counterpart Susan Shekmar is on maternity leave until 2 February 1985 and will not be available to participate in these briefings.
